Oregon Occupational Safety and Health Division, Department of Consumer and Business Services, Room 430, Labor and Industries Building, 350 Winter Street NE, Salem, Oregon 97310.

[59 FR 42495, Aug. 18, 1994]

### § 1952.107 Changes to approved plans.

In accordance with part 1953 of this chapter, the following Oregon plan changes were approved by the Assistant Secretary:

(a) The State submitted a revised field operations manual patterned after the Federal field operations manual, including modifications, in effect February 11, 1985, which superseded the State's previously approved manual. The Assistant Secretary approved the manual on July 29, 1986.

(b) The State submitted an industrial hygiene technical manual patterned after the Federal manual, including modifications, in effect March 30, 1984. The Assistant Secretary approved the manual on July 29, 1986.

(c) The State submitted an inspection scheduling system which schedules inspections based on lists of employers with a high incidence of workers compensation claims, whose operations are within industries with high injury rates, or which have a high potential for health problems. The Assistant Secretary approved the supplement on July 29, 1986.

(d) The State submitted several changes to its administrative regulations concerning personal sampling, petition to modify abatement dates, penalties for repeat violations, and record-keeping exemptions. The Assistant Secretary approved these changes on July 29, 1986.

(e) *Legislation.* (1) On March 29, 1994, the Acting Assistant Secretary approved Oregon's revised statutory penalty levels as enacted subject to further action by the State in 1995 to correct the State's omission of revisions of the penalty for posting violations. Aside from posting penalties, Oregon's revised penalty levels are the same as the revised Federal penalty levels contained in section 17 of the Act as amended on November 5, 1990.

## Subpart E—Utah

### § 1952.110 Description of the plan as initially approved.

(a) The plan identifies the Utah State Industrial Commission as the State agency designated to administer the plan throughout the State. It defines the covered occupational safety and health issues as defined by the Secretary of Labor in 29 CFR 1902.2(c)(1). The plan states that the Utah Industrial Commission currently is exercising statewide inspection authority to enforce many State standards. It describes procedures for the development and promulgation of additional safety standards, rule making power for enforcement of standards, laws, and orders in all places of employment in the State; the procedures for prompt restraint or elimination of imminent
